Fireworks

Continued from A11

“The decision was made early because we wanted people to be able to make plans with their families,” said Flagstaff city spokesperson Sarah Langley.

Fire officials in some cities worry that the cancellations could prompt some people to ramp up their use of consumer fireworks in residential areas.

“We are typically worried about exposure of sparks and fire to homes and dry brush,” said Phoenix Fire spokesperson Capt. Evan Gammage. “We get so many calls around this time of year.”

In New Mexico, the most destructive wildfire season in modern history won't stop that state's major cities, including Albuquerque and Santa Fe,
