BY JAY BOBBIN

Ginger Zee expands her time and topics via streaming

Q: Where can I see Ginger Zee's environmental specials? I appreciate the brief segments from them that she shows on "Good Morning America," but I'd like to watch the whole thing. – Jamie Connolly, via email

Ginger
Zee

A: They typically premiere on the ABC News Live streaming service, and they also are available on Hulu. In addition to previewing them on the air, Zee does a great job of promoting them on her social-media pages ... so if you subscribe to those, you'll be sure to know when they're coming up.

Q: Please let me know if I'm right. Was Raymond Lee, of the new version of "Quantum Leap," in "Top Gun: Maverick"? – Bruce Simmons, via email

A: He was. He played the pilot nicknamed "Yale," and he joked with us recently that he would have done the part for free, just to soak in how Tom Cruise handles his superstar status with colleagues and others. Lee also told us that with the time he's put into building his professional standing, he's hugely grateful for the career wave he's been on lately. Now available digitally, "Top Gun: Maverick" is slated to debut on physical home media on Nov. 1.
