

Additional Locals.

—Mrs. Goodman, mother of Austin Goodman, came in from Baker City last Monday evening.

—Rev. Jones will preach at the Riley school house, on Silver creek, the third Sunday of each month.

—Tom Allen is now general manager in this county, for the cattle firm known as the Harding & Riley company.

—Dr. Cate is kept pretty busy. The universal good dentistry done by him has gained for the Dr. a lasting reputation.

—Win Waters, our lately elected assessor, returned from his visit to friends in different sections of the Willamett valley the latter part of last week.

—The Sunday morning sermons, at the church, by Rev. Jones are very short, so as not to weary his hearers this hot sleepy weather, and also that they may reach home in time for the noon meal.

—The Emmett Index, published in Emmett, Canyon county, Idaho, reports in its issue of the 13th inst. a rich strike made by James B. Blain, in the mining district near the place known as the Willow and Rock creek mining district.

—Subscribers to the Burns Times whose names are not on the HERALD subscription list, and do not desire to have their names added to the HERALD list will please so inform us. Otherwise their names will be taken and considered bona fide subscribers to the HERALD, and responsible for the subscription.

—Miss Ida Roberts, once a resident of Burns but now of Malheur, and a young lady friend, we have not yet learned her name, were visiting Mr. and Mrs. D. L. Grace last week. Miss Roberts is a sister of Mrs. Grace. We are informed the young ladies went from here to visit friends in the lake neighborhood.

The Weekly Oregonian and THE HERALD for only two dollars a year. Subscribe or renew at once and secure your county paper and the most newsy weekly published in this state. Every intelligent reader cannot help but see the advantage of getting two papers for the price of one. We hope our subscribers will see the point and give us a call.

—We are glad to learn that Mrs. H. E. Thompson is still improving. She has been a very sick woman, and in fact, many of her friends thought her recovery, at one time, doubtful.

NEW YORK WORLD.

The Twice-a-week Edition of the New York World has been converted into the Thrice-a-week. It furnishes 3 papers of 6 pages apiece, or eighteen pages every week, at the old price of One Dollar a year. This gives 156 paper a year for One Dollar and every paper has 6 pages eight columns wide or 48 columns in all. The Thrice-a-week World is not only much larger than any weekly or semi-weekly newspaper, but it furnishes the news with much greater frequency and promptness. In fact it combines all the crisp, fresh qualities of a daily with the attractive special features of a weekly.

Arrangements have been made by which we can furnish this paper and the Thrice-a-Week New York World both for \$2.25 a year. Take advantage of this offer and get your own local paper and the Thrice-a-Week World at this special rate.
