

Tammany Hall Loyal.

New York, July 31.—Tammany Hall will indorse Bryan and Sewall without waiting for the state convention. The executive committee this afternoon passed by acclamation a resolution to that effect after defeating a motion to postpone action by a vote of 71 to 4. Immediately immense pictures of the democratic nominees were raised on the outside of the building and preparations began for active work.

The executive committee was called to order by James J. Martin. John C. Sheehan introduced the resolution indorsing the Chicago candidates. In introducing the resolution he explained that at the Chicago convention the delegates from New York fought hard for what they believed was sound money but were largely in the minority. He declared it a good democratic rule to stand by the will of the majority when duly expressed.

"Mr. Chairman," he concluded, "it seems to me that there is no middle ground. The only course left open to loyal democrats is to stand by the Chicago ticket."

Great applause marked the conclusion of the speaker's address. Then he introduced his resolution declaring that "the executive committee of the democratic organization of the city and county in New York in session in Tammany hall accepts and approves the nomination of Bryan and Sewall as the wise determination of the democratic national convention and pledge ourselves to the loyal and hearty support of their candidacy."

More cheers greeted the reading of the resolution. Register Sohmer, Henry C. Purroy, State Senator Guy, Congressman Amos Cummings and other leaders pleaded for united action in behalf of the ticket. Chairman Martin urged in vain to have action deferred until after the state convention on September 16th.

Relief at St. Louis.

St. Louis, July 31.—A thunder storm broke over this city about 4 o'clock this afternoon and dispelled the heat that has prevailed without a let up since Sunday, and brought relief to suffering man and beast. Just before the storm began the thermometer registered 94 degrees in the shade, but a fall of 20 degrees resulted in a very short time and tonight the atmosphere is cool and pleasant. Only nine cases of sunstroke were reported at the city dispensary today with no fatalities. Four persons who were taken to the city hospital yesterday died this afternoon.
