**STEEL RANGES.**

**Testimonials From Farmers as to their Worth By Actual Test.**

Baker City, Oregon., August 4—We have used a "Home Comfort" steel range for eight years. It is as good to day as the day we bought it. It is not cracked or warped and we have not paid out a penny for repairs. Bakes perfectly and has given entire satisfaction. No matter what others may say concerning the "Home Comfort" we are perfectly satisfied with ours, and can cheerfully recommend the range and the company to all.  
Respectfully,  
W. D. Adams.

Baker City, August 5—We have a Home Treasure steel range and after testing it thoroughly, find that it is exactly as recommended by the salesmen. Heats up very easily and with very little wood and bakes beautifully. I couldn't ask for anything more perfect. It fills the bill exactly and I can unhesitatingly recommend them to all.  
Mrs. E. J. Lew.
