## Obituary.

THE TIMES HERALD: On August the 27th at 6:30 o'clock p. m. at the residence of Samuel Miller Burns Oregon, the angel of death, again visited us, overshadowing a once bright and happy home and making many hearts sad by gathering unto him, the pure and lovely child, little Viola Foester. Viola was 13 years old and though young in years she had endeared herself to many hearts by her loving and gentle ways and unconsciously stirred many souls to follow the better paths of life by her own pure and guileless nature. Although we sadly miss her and feel an irresistible longing to call her back, still we know that the Master doeth all things wisely and that for some good cause known only to him it is better that she should be taken from us, and while her absence leaves anaching void in many hearts of this community, we feel there was great rejoicing when the beautiful child passed through the pearly gates and greeted her Savior with the same angelic smile that gladdened so many hearts here below. Her remains were interred in the Harney cemetery Aug the 28th.

Rev. Jones conducted the funeral services. The bereft parents have the sympathy of every one who had the blessing of knowing their little one. May they look beyond the veil of sorrow that now shadows their lives and see only their darling resting with Jesus, supremely happy, waiting patiently for them to be called home.
