Robbed a Gambling Den.

PUEBLO, Col., Sept. 4.—Four big guns in the hands of two nervy men, held up 40 men in the "Green Light" gambling-house in the heart of the city last night, and won for their daring \$450 in money belonging to the proprietors of the place.

The games were progressing as usual when the men, wearing masks and each having two revolvers, entered the back door and advanced rapidly up the room, compelling the dealers, players and spectators to crowd toward the front end of the building. The tall, slim man of the pair held the crowd at bay, forcing them to keep up their hands while the short, rather heavy-set robber proceeded to the faro table and took from the drawer \$325 and some silver. Then he quickly made his way to the crap table. Here was piled up some 250 in silver, but the man contented himself with taking only about \$125. At this juncture the short man cried out to his companion to "hold Bowen." Bowen was the night manager of the place.

It is presumed that their intention was to rob the safe, but just then one of the employees of the house who had been out to supper, came running up the stairs, making considerable noise and this evidently frightened the robbers. They quickly backed toward the rear door, meanwhile covering the crowd with their guns, and disappeared.

Deputy sheriffs and policemen were soon on the ground and are searching the city and guarding outgoing trains.

A peculiar fact in connection with the robbery is that not one of the 40 players had a gun.

An Affidavit.

This is to certify that on May 11 I walked to Melick's drug store on a pair of crutches and bought a bottle of Chamberlain's Pain Balm for inflammatory rheumatism which had crippled me up. After using three bottles I am completely cured. I can cheerfully recommend it—Charles H. Wetzel, Sunbury, Pa.

Sworn and subscribed to before me on August 10, 1894.—Walter Shipman, J. P. For sale at 50 cents per bottle by druggists.

Consumption AND ITS CURE

TO THE EDITOR—I have an absolute remedy for Consumption. By its timely use thousands of hopeless cases have been already permanently cured. So proof-positive am I of its power that I consider it my duty to send two bottles free to those of your readers who have Consumption, Throat, Bronchial or Lung Trouble, if they will write me their express and postoffice address. Sincerely, T. A. SLOCUM, M. C., 183 Pearl St., New York. The Editorial and Business Management of this Paper Guarantee this generous Proposition.
