H. KELLEY, County Clerk.

By C. A. GILHAM, Deputy.

Forbears in Plenty.

A peculiar case of kinship has been brought to the notice of the Salem Statesman. The little daughter of Mr. and Mrs. J. A. Simpson, of this city, is possessed of 10 grand, great-grand and great-grand-grand parents, all living and all deeply interested in the destiny of their little descendant. The father and mother of Mrs. Simpson are living, being Mr. and Mrs. Shepard. Mrs. Shepard's father and mother are living, and they make four; the name of the latter couple is Pottorff, and Mr. Pottorff's father and mother still live, making six in this group of progenitors; Mr. Shepard's mother is also alive, thus making the seventh; Mr. Simpson's father and mother are living, making nine, and Mrs. Ashby, the aged mother of Grandma Simpson, is yet in the land of the living, and makes the tenth in this line of forbears.

Astora, Or., Sept. 17. —The residents of John day precinct, in this county, report that an insane man has been seen in the woods there, running about in an almost nude state. He is described as being six feet tall, with long black hair and whiskers. He will allow no one to approach him, and, when surprised, seeks cover in the brush.

How he subsists is a mystery, a none of the settlers has any idea where he obtains food.

Six weeks ago I suffered with a very severe cold; was almost unable to speak. My friends all advised me to consult a physician. Noticing Chamberlain's Cough Remedy advertised in the St. Paul Volks Zeitung I procured a bottle, and after taking it a short while was entirely well. I now most heartily recommend this remedy to anyone suffering with a cold. WM. KEIL, 678 Selby Ave., St. Paul, Minn. For sale by

Fits Cured

From U.S. Journal of Medicine Prof. W. E. Pecke, who makes a specialty of Epilepsy, has without doubt treated and cured more cases than any living Physician; his success is astonishing. We have heard of cases of 20 years' standing cured by him. He publishes a valuable work on this disease, which he sends with a large bottle of his absolute cure, free to any sufferers who may send their P. O. and Express address. We advise any one wishing a cure to address Prof. W. E. PECKE, J. D., 4 Cedar St., New York

CUT PRICES by the only concern that ever voluntarily reduced prices, or in recent times originated a new idea in Windmill and Water Supply Goods. Everything the farmer sells is low, and who sells low to him? We have repeatedly refused to join, and have therefore defeated the cost of wind power to 1 what it was since '89, reduced the cost of wind power to 1 what it was. Through gratitude, and because we are the sole originators of all that is good in the modern steel windmill and tower, **THE WORLD HAS GIVEN US MORE THAN HALF ITS WINDMILL BUSINESS.** We believe in low prices, high grades and large sales. We believe in hand with long power stroke pumps, with best seamless brass tube cylinders, lower than iron ones—a 2 1/2 x 16 inch at \$3-53. We prepay freight to 20 branch houses. Send now for this appears but once. Our limiters may not have in print our latest plans. No one knows the best Mill, Pump or Price until he knows ours.
