

The Drewsey Portion of our County.

We have just returned from a few days spent in the Drewsey country. We find the schools in that part of the county, that are now in session, in good condition. The term being taught by Miss Clara Rutherford will close next Friday. Miss Rutherford, from information we received from patrons in that district, has taught a successful school; she is well liked by both patrons and pupils. The school term just begun in the Otis district under the supervision of Miss Rosa Miller as teacher and guide of the children for the term in that district, is starting off on the right foot and we predict success to her efforts; the children are young and very susceptible to training and seemed interested in their studies.

Prof. M. N. Bonham, at Drewsey, with his regiment of boys and girls just starting into the fight for knowledge, seemingly have put on the whole armor, and unless our judgment of conditions, circumstances, pluck and determination to advance is greatly at fault, that school in this term will win great honor for the pupils and its teacher.

The Drewsey country, taking in Calamity and Pine creek neighborhoods, is truly in a prosperous condition, regarding crops of every kind, the hay crop cannot be excelled in the county, grain excellent and vegetables immense. If only we had money in circulation the business of the country demands, the ranchers in that section would reap a rich harvest. Mr Stewart on Otis creek has several tons of the finest onions we have ever seen, not only him but others, but he has the greatest amount. Alfalfa is grown there to perfection, Sam Kenyon has great ricks of it waiting a purchaser to buy it or cattle to eat it. On account of the scarcity of money and the uncertain future, if the gold bugs should remain in power, Mr. Kenyon hesitates to purchase cattle to consume his hay, fearing when put upon the market his labor and hay will avail him but little.

Resolutions.

Hall of Burns Lodge, No. 97,
A. F. & A. M.
Burns, Or., Oct. 11, '96.

WHEREAS, The Supreme Grand Master of the Universe has called our beloved brother, H. A. Williams, from all earthly communications to the Grand Lodge above, from a long life of toil and care to eternal rest and peace: by his death this Lodge has lost a worthy, active and charitable member—a Craftsman devoted to his labors; his family, an affectionate father; his fellow-citizens, a true friend; the community, a useful member, and the county, a worthy citizen. Be it, therefore,

RESOLVED, That we most humbly and reverentially bow to the will of Him, who hath in His wisdom so sorrowfully afflicted us.

RESOLVED, That, as our deceased brother halted not at his first or second step, but pressed onward for greater light, so we believe his moral worth and virtues will insure him a welcome entrance into that Temple not made with hands.

RESOLVED, That our sympathy is extended to the bereaved family

in this their hour of affliction; that they be furnished a copy of these resolutions, the same be spread upon the records of the Lodge, and furnished the local press for publication; that the lodge-room be draped in mourning for thirty days, and that all Master Masons residing in this jurisdiction wear crape for the same period of time.
