

LETTER FROM THE POPS.

Manifesto Issued by Jones and His Advisers.

CONTINUED FROM FIRST PAGE.

By this arrangement we can unite a large majority of the voters of America on our joint electoral tickets. Therefore, the only hope of the money power and trusts is to divide and conquer. The republican managers and their gold democratic allies realize this, and are putting forth every effort to accomplish this end. They have had their emissaries on hand everywhere trying to prevent joint electoral tickets from being arranged. Failing in this, they try to find populists and silver democrats who can be induced, on one pretext or another, to rebel against the joint electoral tickets. They either have secured, or will secure, the services of every man that money can command to breed dissensions and divisions. The danger lies in the possibility of a certain portion of the rank and file of the people's party being misled by so-called leaders, who, for reasons best known to themselves or for want of reason, are advising voters to rebel against the joint electoral tickets and put up separate electoral tickets or to withhold their support from the joint electoral tickets.

Some of the democrats of the revenue stripe who are not yet weaned from the flesh pots of Egypt but are sticklers for regularity, and are nominally supporting Mr. Bryan while secretly and in every underhanded way are trying to accomplish his defeat, are advising against the joint electoral tickets, and, failing in this, they advise democrats to scratch the people's party electors; and already a few so-called populist leaders are advising the rank and file of our party to strike back by refusing to support the democratic electors of the joint electoral tickets.

This is a trap set by the gold bugs, who are rejoicing that a few honest men have fallen into it.

Therefore, we appeal to every populist who may have been misled, by such mistaken or false pleas of pretended loyalty to the people's party, into refusing to support such joint electoral tickets. To stop and consider the results of such conduct and refuse to be influenced by either misguided or corrupt men. There is but two sides to the conflict that is being waged in this country today. On the one side are the allied hosts of monopolies, the money power, great trusts and railway corporations, who seek the enactment of laws to benefit them and impoverish the people. On the other side are the farmers, laborers, merchants and all others who produce wealth and bear the burdens of taxation. The one represents the wealthy and powerful classes who want to control the government to plunder the people. The other represents the people contending for equality before the law and the rights of man. Between these two there is no middle ground. The one and only hope for the republican party to win in this campaign, and fasten the gold standard upon the country, is the corrupt use of an unlimited supply of money for bribery, corruption and intimidation.

CUT PRICES by the only concern that ever voluntarily reduced prices, or in recent times originated a new idea in Windmill and Water Supply Goods. Everything the farmer sells is low. Who sells low to him? We have repeatedly refused to join, and have therefore defeated windmill combination, and have, since '95, reduced the cost of wind power to what it was. Through gratitude, and because we are price makers, and are safest to deal with, and because we are the sole originators of all that is good in the modern steel windmill and HALF ITS WINDMILL BUSINESS. We believe hand with long power and large sales. We make short brass tube cylinders, lower than iron ones—a 25 x 26 inch at \$3.50. We prepay freight to 20 branch houses. Send now for beautifully illustrated catalogue of up-to-date ideas, as print our latest plans. Our imitators may not have in Mill, Pump or Price until he knows ours.
