

LETTER FROM THE POPS.

Manifesto Issued by Jones and His Advisers.

CONTINUED FROM FIRST PAGE.

By this arrangement we can unite a large majority of the voters of America on our joint electoral tickets. Therefore, the only hope of the money power and trusts is to divide and conquer.

Some of the democrats of the revenue stripe who are not yet weaned from the fish pots of Egypt but are sticklers for regularity, and are nominally supporting Mr. Bryan while secretly and in every underhanded way are trying to accomplish his defeat, are advising against the joint electoral tickets, and, failing in this, they advise democrats to scratch the people's party electors; and already a few so-called populist leaders are advising the rank and file of our party to strike back by refusing to support the democratic electors of the joint electoral tickets.

This is a trap set by the gold bugs, who are rejoicing that a few honest men have fallen into it.

Therefore, we appeal to every populist who may have been misled, by such mistaken or false pleas of pretended loyalty to the people's party, into refusing to support such joint electoral tickets, to stop and consider the results of such conduct and refuse to be influenced by either misguided or corrupt men. There is but two sides to the conflict that is being waged in this country today. On the one side are the allied hosts of monopolies, the money power, great trusts and railway corporations, who seek the enactment of laws to benefit them and impoverish the people.

Fits Cured. From U.S. Journal of Medicine Prof. W. H. Pecke, who makes a specialty of Epilepsy, has without doubt treated and cured more cases than any living Physician; his success is astonishing. We have heard of cases of 20 years' standing cured by him. He publishes a valuable work on this disease, which he sends with a large bottle of his absolute cure, free to any sufferers who may send their P. O. and Express address. We advise any one wishing a cure to address Prof. W. H. PEEKE, F. D., 4 Cedar St., New York.

Advertisement for Aermotor Windmills. Includes an illustration of a windmill and text: 'CUT PRICES by the only concern that ever voluntarily reduced prices, or in recent times originated a new idea in Windmill and Water Supply Goods. Everything the farmer sells is low, Who sells low to him? We have repeatedly refused to join, and have therefore defeated windmill combination, and have, since '89, reduced the cost of wind power to what it was. Through gratitude, and because we are price makers, and are safest to deal with, and because we are the sole originators of all that is good in the modern steel windmill and tower. THE WORLD HAS GIVEN US MORE THAN HALF ITS WINDMILL BUSINESS. We believe in low prices, high grades and large sales. We make short hand with long power stroke pumps, with best seamless brass tube cylinders, lower than iron ones—a 2 1/2 x 16 inch at \$3.50. We prepay freight to 20 branch houses. Send now for beautifully illustrated catalogue of up-to-date ideas, as this appears but once. Our imitators may not have in print our latest plans. No one knows the best Mill, Pump or Price until he knows ours.'
