

A Remarkable Tooth.

The temple at Yakadama, Japan, contains a wonderful relic in the shape of a tooth which, tradition says, one of the gods pulled from his jaw in order to have a weapon with which to dispatch an immense cobra...

Non-believers in the power of the Sacred Indestructible Tooth say that it is simply a molar of some extinct species of gigantic animal.

A Falsehood Exposed.

Sometime ago a McKinley man in the Willamette valley made a proposition to buy several thousand pounds of wool at 12 cents per pound should McKinley be elected. The Oregonian published the offer and tried to make great political capital out of it.

The Dalles-Times Mountaineer says: "It is reported on the streets this afternoon that 18 members of the McKinley club at Dufur caused their names to be stricken from the roll after hearing Senator Mitchell's speech and sent to The Dalles for Bryan badges."
