HIS QUEER INSIDES.

Geter Sharpe, a 17-year old colored boy, whose heart beats merrily away in his right side, while his liver performs its functions in an eminently satisfactory manner on the left, is affording the St. Louis City hospital physicians an interesting study.

Geter went to the hospital for treatment for a nervous trouble, and in making their examination the physicians discovered the misplacement of these important organs. There was no accident that caused a shifting of the heart and liver, and their location was caused by no disease. It is just a freak of nature, the doctors say. The boy was born that way and never knew till the physicians told him that he was a freak. The organs perform their functions satisfactorily, and Geter is rather proud because he is different from other men.

The physicians say the case is a rare one. Instances of the heart being on the right side have frequently been reported, but it is usually the result of some accident. The liver, however, has always been considered to have its location on the right side of the back, and no case has come under the hospital physicians' notice where it was otherwise.—St. Louis Post-Dispatch

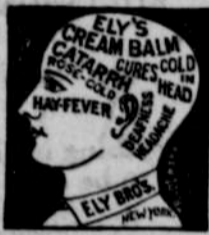

CHANCE FOR THE WIND.

Out at the Fort Hall Indian agency is a clerk who can probably boast of the longest mustache in the world. He parts his name in the middle, signing his letters H. Elwell Jenkins. Mr Jenkins' face is just naturally good soil for hair and his mustache just grew and grew and grew, until it has reached a length of nine feet. Ordinarily Mr. Jenkins folds the ends of his mustache away out of sight under

his vest, but sometimes he lets it drag the floor to show its full length just as a woman with a wealth of back hair exhibits it in the privacy of her boudoir to a coterie of admiring friends. Mr. Jenkins' mustache is still growing.

CATARRH

is a LOCAL DISEASE and is the result of colds and sudden climatic changes. It can be cured by a pleasant remedy which is applied directly into the nostrils. Being quickly absorbed it gives relief at once.

Ely's Cream Balm is acknowledged to be the most thorough cure for Nasal Catarrh, Cold in Head and Hay Fever of all remedies. It opens and cleanses the nasal passages, allays pain and inflammation, heals the sores, protects the membrane from colds, restores the sense of taste and smell. Price 50c. at Drugists or by mail. ELY BROTHERS, 66 Warren Street, New York.

This Is Your Opportunity.
On receipt of ten cents, cash or stamps, a generous sample will be mailed of the most popular Catarrh and Hay Fever Cure (Ely's Cream Balm) sufficient to demonstrate the great merits of the remedy.

ELY BROTHERS,
66 Warren St., New York City.
Rev. John Reid, Jr., of Great Falls, Mont., recommended Ely's Cream Balm to me. I can emphasize his statement, "It is a positive cure for catarrh if used as directed."—Rev. Francis W. Poole, Pastor Central Pres. Church, Helena, Mont.

Ely's Cream Balm is the acknowledged cure for catarrh and contains no mercury nor any injurious drug. Price, 50 cents.

Consumption

AND ITS CURE
TO THE EDITOR—I have an absolute remedy for Consumption. By its timely use the kinds of hopeless cases have been already permanently cured. So proof-positive am I of its power that I consider it my duty to send two bottles free to those of your readers who have Consumption, Throat, Bronchial or Lung Trouble, if they will write me their express and postoffice address. Sincerely,
T. A. SLOCUM, M. C., 183 Pearl St., New York.

COUGHS and COLDS

ELY'S PINEOLA BALSAM is a sure Remedy for coughs, colds, sore throat and for asthma. It soothes, quickly abates the cough, and renders expectoration easy. Consumptives will invariably derive benefit from its use. Many who suppose their cases to be consumption are only suffering from a chronic cold or deep seated cough, often aggravated by catarrh. For catarrh use Ely's Cream Balm. Both remedies are pleasant to use. Cream Balm, 50 cents per bottle; Pineola Balsam, 25c. Sold by Drugists. ELY BROTHERS, 66 Warren St., New York.
