### ANOTHER MORNING PAPER.

There seems to be good reasons for believing that Portland will soon have another morning paper. And if such is the case there is no doubt but it will be a creditable one in all respects. It is said that several prominent men are figuring on the proposition, and will arrive at some definite conclusion in a day or two.

If the paper is started, it will not be lacking in funds to push it along until it can be placed on a paying basis. With the necessary amount of money, all the brains and ability required can be furnished. Report has it that typesetting machines will be ordered from the east next week and the new enterprise launched as soon as possible.

It cannot be said authentically at this time just who is at the back of the movement, but they are all sound business men who are not accustomed to trifling. It will be a first-class newspaper.—Welcome.

Chamberlain's Colic,

This is the best medicine in the world for bowel complaints. It acts quickly and can always be depended upon. When reduced with water it is pleasant to take. Try it, and like many others you will recommend it to your friends. For sale at 25 and 50 cents a bottle by Druggists.

## Fits Cured

From U.S. Journal of Medicine  
Prof. W. H. Peake, who makes a specialty of Epilepsy, has without doubt treated and cured more cases than any living Physician; his success is astonishing. He publishes a valuable work on this disease, which he sends with a large bottle of his absolute cure, free to any sufferers who may send their P. O. and Express address. We advise any one wishing a cure to address Prof. W. H. PEAKE, F. D., 4 Cedar St., New York
