

Caged Like a Beast.

Bound to iron rings anchored to the walls, and caged like a wild beast, Grace Solomon, the daughter of a wealthy pawn broker of Denver, has raved for seven months, in a condition and under surroundings the most terrible, says a Denver correspondent of the St. Louis Globe-Democrat.

Her condition is the result of investigation of spiritualism, it being charged that her mind was affected by "demonstration" of Jules Wallace, who has been exposed in various parts of the country.

What to do with her is a question for the insane asylum is overcrowded. J. Solomon, her father, is one of the wealthiest men of the West, an old time pawn broker, who counts his cash by the thousands.

CUT PRICES by the only concern that ever voluntarily reduced prices, or in recent times originated a new idea in Windmill and Water Supply Goods. Everything the farmer sells is low. Who sells low to him? We have repeatedly refused to join, and have therefore defeated windmill combination, and have since '89, reduced the cost of wind power to what it was. Through gratitude, and because we are the sole originators of all that is good in the modern steel windmill and tower, THE WORLD HAS GIVEN US MORE THAN HALF ITS WINDMILL BUSINESS. We believe in low prices, high grades and large sales. We make short hand with long power stroke pumps, with best seamless brass tube cylinders, lower than iron ones—a 2 1/2 x 16 inch at \$3.50. We prepay freight to 20 branch houses. Send now for this beautiful illustrated catalogue of up-to-date ideas, as this appears but once. Our imitators may not have in print our latest plans. No one knows the best Mill, Pump or Price until he knows ours.
