If that does not bring relief dampen a piece of flannel with Pain Balm and bind it on over the seat of pain and prompt relief will surely follow. For sale by druggists.

Durring the winter of 1893, F. M. Martin, Long Reach, West Va., contracted a severe cold which left him with a cough. When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief. It has been in the market for over twenty years and constantly grown in favor and popularity. For sale at 50 cents per bottle by druggists.

originated by us. All successful speculators operate on a regular basis of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two dollars up to \$50,000 \$100,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live in from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade covers both sides, so that whether the market rises or falls it brings steady profit that piles up enormously in a short time.
