Business Change.

The second hand store owned by Gilbert & Button changed hands today. The stock was purchased by Joe Curry and R. S. Huston. The members of the new firm are both bright and honest young men and deserve the patronage of the public in this their first business venture.—Engene Guard.

Mr. Robt. Huston is well known in Burns, having lived for several years in this county. He was for some time in the employ of the mercantile house of N. Brown, and proved himself worthy the regard and confidence of his employer and the respect of the community. We always believed that "Bob" would succeed, and if industry, energy and correct habits win, his success is assured.
