Durring the winter of 1893, F. M. Martin, Long Reach, West Va., contracted a severe cold which left him with a cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlain's Cough Remedy which relieved me almost instantly and in a short time brought about a complete cure." When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief. BIG PROFITS SMALL INVESTMENTS

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful Speculation in Grain Provisions and Stock.

\$10.00 FOR EACH DOLLAR INVESTED CAN BE MADE BY OUR System

originated by us. All successful speculators operate on a regular system

It is a well-known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two dollars up to \$50,000 to \$100,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money making pointers. ALL FREE. Our manual explains margin trading fully. Highest references in regard to our standing and success. For further information address
