A Correction.

It has been circulated that Harney county's indebtedness has increased \$20,000 under the present administration, or since July 1st, 1894. The following figures from the county record, as given us by Judge Rutherford, show that the indebtedness has not been increased but decreased:

Amount warrants issued from April 1st 1899 (time county was created) to Sept. 30, 1896	\$193,267 64
Total redemptions	143,835 40
Outstanding warrants	49,432 24
Interest estimated by clerk	9,000 00
Total liabilities	58,432 24
Assets in trust hands	4,248 11
Due from Gittings, sheriff	4,600 00
Total assets	8,848 11
Liabilities over assets	49,584 13
Warrants drawn after July 1st 1896	6,829 52
Liabilities July 1st, 1896, over assets	42,654 61
Expert Jones' report July 1st 1894	47,460 00
Warrants canceled after July 1st, 1894 and deducted by Jones through inadvertence	896 00
Indebtedness July 1st, 1894	48,260 00

The amounts issued after July 1st, 1896, \$6,829.52, appearing in the semi annual report of the clerk should be deducted as that amount is in this fiscal year. These figures show the indebtedness something over \$5,000 less July 1st, 1896.
