Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

CUT PRICES by the only concern that ever voluntarily reduced prices, or in recent times originated a new idea in Windmill and Water Supply Goods. Everything the farmer sells is low. Who sells low to him? We have repeatedly refused to join, and have therefore defeated windmill combination, and have since '99, reduced the cost of wind power to what it was. Through gratitude, and because we are price makers, and are safest to deal with, and because we are the sole originators of all that is good in the modern steel windmill and tower, **THE WORLD HAS GIVEN US MORE THAN HALF ITS WINDMILL BUSINESS.** We believe in low prices, high grades and large sales. We make short hand with long power stroke pumps, with best seamless brass tube cylinders, lower than iron ones—a 2 1/2 x 16 inch at \$1.50. We prepay freight to 20 branch houses. Send now for beautifully illustrated catalogue of up-to-date ideas, as this appears but once. Our imitators may not have in print our latest plans. No one knows the best Mill, Pump or Price until he knows ours.
