

WHO'S GOING

—To See the 4th at—

BURNS?

Do not drink that horrible alkali water when you can get as good sparkling soda water as you can get in any city in the United States at the City Drug Store.

OUR SODA WATER

is made with distilled water, and our syrups are made from the finest California Fruit Flavors. It will tone up your stomach and give you a good appetite. Call and see for yourself.

OUR DRUGS

are as pure as our soda water. Your prescriptions will be filled by experienced and registered druggists when brought to us.
