A BAD TOOTHBRUSH

usually looks like a good one when you buy it. That is a failing in the toothbrush business, and is the reason why so many people pay a good price for a poor brush.

We have some (they cost 25 cents) which will give you satisfaction when the real test comes. They are made for particular, economical people—those who want a good, lasting article. They will therefore suit you.

DELICATE + SKINS which are easily roughened and irritated by exposure to extremes of weather, become velvety and smooth when OUR

PERSIAN CRAEM is used. It is healing and protective. An excellent application after shaving. Price 25 cents a bottle. We always keep a good variety of the best face powders and lotions on hand.

CITY DRUG STORES. Teachers Institute.

As announced, in last week's issue of this paper, the teacher's institute will be held in Burns, beginning on Tuesday the 26th of this month, continuing three days, viz: Tuesday, Wednesday and Thursday.

As stated last week Supt. of Public Instruction Irwin will be here and President Campbell. I think it best not to draft for publication any definite program giving each day's work, because Supt Irwin and Prof. Campbell will be asked to lead in their own way and manner, and this being the case, will only imperturb the teachers of the county to be present and prepared to take a part in the work on any subject.

Teachers will remember the law regarding attendance and I shall expect compliance therewith, or certificates revoked, not only do I expect them present at roll call, but the hours announced both morning and afternoon. The institute will open at 1 o'clock p. m. Tuesday. W. C. BYRN, C. S. S.
