The Republican Convention.

As there are a number of candidates for different offices on the ticket to be named by the republican county convention tomorrow, we expect to see a lively time. Delegates are coming in and are not given a moment's peace from the time they are first seen until they are "holed" almost to a point of suicide. There are many candidates and each must have a confidential talk with the delegates and tell their tale of woe—the city-marshal is getting much needed rest just now and we are sure he appreciates it.

G. W. Young and H. Kelly are contending for the place of clerk and it is hard to tell which has the best chance. There is talk of a dark horse coming in from the country and carrying off the prize.

For Sheriff H. C. Turner and E. H. King both of Harney are being mentioned, and from the general talk of prominent politicians it is very likely King will be the nominee. Jas. A. Sparrow is the only one mentioned prominently for judge. For Assessor W. S. Waters will be nominated to succeed himself. The treasurer's place will again be given to J. C. Welch, while the office of school superintendent is wanted by several available men. J. M. Peabody of the Burns public school is a prominent candidate. Also C. H. Leonard of the Harney school. Chas. Cochran is another that thinks he would make a good run, and we are informed that Chas. Newell would try for the place again if tendered the nomination. C. Cummins of Diamond, will be asked to accept the nomination for commissioner, and J. H. Neal is the only available man we know of for county surveyor. Nothing is said of Coroner J. R. Gould is a candidate for justice of the peace for Burns district and will more than likely get it.
