ORIGON

107 Commercial, Clatskanie

"I have a penny and the doctor made him cough up three dollars." Such a patient ought to prove a veritable mint—a sort of an improved slot machine which would every time prove a winner to the investor.

The state printer gets only thirty odd thousand dollars by the recent appropriation bill. This must be a fatter office than ever. Next winter he will call for \$40,000 to \$50,000 more. A state printer under these circumstances should be limited to one term. Give others a chance to get rich. Better still, to abolish the office and let the printing be contracted for one third the amount. —Sunday Welcome.

Consumption

AND ITS CURE
To the Editor—I have not been ready for Consumption. By its timely use the ends of hope cases have been already greatly cured. So proof-positive am I of its power that I consider it my duty to send two bottles free to those of your readers who have Consumption, Throat, Bronchial or Lung Trouble, if they will write me their address and post-office address. Sincerely,
T. A. STODOL, M. D., 153 Pearl St., New York.
