FIGHT WITH INDIANS.

One White Man Killed and Six or Seven Redmen Made Good Indians.

We received the following by telephone from John Day this (Wednesday) evening at 5 o'clock:

Quite a number of the Columbia River Indians have been hunting in the vicinity of Ilee, a small town on the south fork of the John Day river. Yesterday they claimed that the whites had stolen some of their horses and went to a house where there were no men at home and threatened the women with pistols. The men, who were at work building fence, upon arriving at the house and learning what had been done, got some guns and shot at the Indians.

This caused much excitement and matters grew worse. Today there was a regular battle between the settlers and 25 or 30 Indians. One young man by the name of Dave Cutting was killed and it is thought a half dozen or more Indians have been killed. At last reports the Indians were making back north with the settlers in close pursuit and still fighting. Between 30 and 40 men have gone from John Day and Canyon to help the settlers.

There are enough settlers to settle with the Indians and since blood has been shed it is very likely there will be none but good (dead) Indians when the fighting ceases.

Excitement runs high and plenty of men are ready to go to the assistance of those already engaged in the effort to exterminate the worthless "scuses."

Indian agents, as a general thing, are as worthless as the Indians themselves. Why do they allow them to leave the reservations and roam at large a nuisance, a pest, and at any time likely to commit an outrage. What does the agents care, where they go or what they do? That being the case the settlers can fix them "pleaty" and who can blame him for doing it?

Paste This in your Scrapbook.

Enclosed in the envelope which contained the semi-annual statements of the county officials, we find of the following memorandum, which had been made by Deputy Clerk Rieder. It is something that will interest all THE TIMES-HERALD readers in the county:

GRAND FALL OPENING

of

Dry Goods, Clothing, Shoes and HATS.

We have added several new features to our already large stock. Among these we wish to mention Ladies, misses & children's cloaks, Jackets and wraps, Ladies, Misses & children's Fall and winter Hats, carpets, matting, rugs & draperies.

We cordially invite an inspection of our stock, whether desirous of purchasing or not.

Clothing.	Shoes.
This line has been increased to such an extent that we have not near the space to show the stock and in consequence they are marked at prices that will insure a quick sale and reduction of stock. Don't buy a new suit until you have seen our line. We will be pleased to show you them whether you wish to purchase now or at some later time. We have everything in Mens, Boys and Children's Clothing. Also sole agents for M. Burn & Co. Custom Made Clothing.	We are over the best people for Shoes to be found in Eastern Oregon. We give the best shoe for the least money. Our aim is not to get cheap, trashy Shoes that are not cheap at any price, but to give a good, honest Shoe at a reasonable price. For good natural, neatest styles and honest wear, our shoes cannot be beaten. We are showing all the new styles, also the staple things in Mens, Ladies and Children's Shoes, and carry an assortment that cannot fail to please!

Underwear.	Ladies' Wrappers.
We still merit the reputation of carrying the best line of Underwear to be found in this part of the country. This Fall it is larger, cheaper and better than ever before, including Gents, Ladies, Misses, Boys and Children's in two pieces and union suits. Gents' Underwear from 50 cents up. Ladies' Underwear from 35 cents up. Children's Underwear from 20 cents up.	Since putting in this line last fall we have met with a phenomenal success in their sale. This fall we have largely increased the line and are now showing a most complete assortment in these goods, including all the new and latest patterns, at prices from 75 cents up.

Blankets and Comforters.	Carpets, Rugs, and Draperies.
This line interests the miner and stockman, as well as the housewife. We have always been the leaders in these goods and the immense stock we have this fall will only help to strengthen our reputation. We have a mammoth line of Comforters, from the cheap, heavy ones to the fine satens. Blankets were never shown in greater abundance, from 75 cents per pair to the fine All Wool California Blankets. Also a full line ready-made Sheets and Pillow Cases.	Heretofore we have sold these goods by sample, but the time consumed between selecting and receipt of goods was inconvenient to those desiring carpet. This Fall we have brought on the Carpets by the roll and are prepared to sell Carpets at Eastern prices and from a good assortment of patterns. We have them from 50 cents per yard up. Matting from 25 cents per yard up.

Cloaks, Jackets and Capes.	Dress Goods.
This is an entire new departure, but one that has long been needed. The system of ordering these goods from sample has not been satisfactory as having the goods to try on and inspect. We have put in a very nice assortment and will sell them at prices that cannot be beaten in any large city. These goods were bought to sell and are marked at prices that will insure a speedy sale. Ladies' Gowns from \$3.00 up. Misses' and Children's Gowns from \$2.00 up.	In this line we carry a very complete assortment, including all the latest novelties as well as staple articles. Fine Plaid Checks at 15 and 20 cents per yard. Imported Brocades at 20 cents per yard. Heavy Cloaking at 75 cents per yard. Trimmings. In this line we are acknowledged leaders. This Fall we have increased our already fine line. Now it includes all the new and leading things in Gimps, Braids and Passam-street, ranging in price from 5c per yard up.
