If your tea is not good, why don't you drink water? It is cheaper and better for you than poor tea.  
If it is good, your stomach is glad to get it; does its work better.  
Schilling's Best is good tea—at grocers' in packages.  
You know coffee is used fresh-roasted. Tea ought to be—for the same reason—the taste.  
Ours are the only tea-firing works in the United States; Schilling's Best is always fresh-fired when it leaves our hands.

Consumption  
AND ITS CURE  
To the Editor—I have an anxiety for Consumption. By its timely use the risk of hopeless cases has been already removed. So positive am I in its power that I consider it my duty to send two bottles free to those of your readers who have Consumption, Throat, Bronchitis or Lung Trouble, if they will write me their express and postoffice address. Sincerely,  
T. A. GLOUCE, M. C., 153 Pearl St., New York.

Fits Cured  
Prof. W. H. Packer, who makes a specialty of Spilopy, has without doubt treated and cured more cases than any living specialist. Success is astonishing. I have heard of cases cured by his method. I have published a valuable treatise on this disease, which he sends with a large bottle of his medicine, free to any sufferer who may send this P. O. and Express address: Prof. W. H. Packer, 27 N. 4th St., St. Louis, Mo.
