Congressman Johnson, of Ind., is strongly of the opinion that he is still "Wobbling William."

Grosvenor's attempt to make the house believe that he did not know what a "a jack pot" meant was a failure.

Senator Gorman paedicts that our pension payments for 1900 will be $165,000,000. It is no woner that the war taxes have to be continued.

We do not believe there is a counsul in the employ of the government who can command as large a salary in private employ as Uncle Sam pays him. Yet the senate increased the pay of a number of them on the plea that they were underpaid.

Great

Sales proved by the statements of leading druggists everywhere, show that the people have an abiding confidence in Hood's Sarsaparilla. Great

Cures proved by the voluntary statements of thousands of men and women show that Hood's Sarsaparilla actually does possess

Power over disease by purifying, enriching and invigorating the blood, upon which not only health but life itself depends. The great

Success of Hood's Sarsaparilla in curing others warrants you in believing that a faithful use of Hood's Sarsaparilla will cure you if you suffer from any trouble caused by impure blood.

Dave Braham, the popular composer and Director of Music at Harrigan's Theatre, says:

New York, March 1st, 1899.

Messrs. John F. Stratton.

Dear Sirs:—I have given your Russian Gut Violin Strings a thorough trial, and am pleased to state that they are the best toned and most durable strings I have ever used.

Yours respt., DAVE BRAHAM.

Why

Do people buy Hood's Sarsaparilla in preference to any other,—in fact almost to the exclusion of all others?

Because

They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacists who originated it.

The question of *best* is just as positively decided in favor of Hood's as the question of comparative sales.

Another thing: Every advertisement of Hood's Sarsaparilla is true, is honest.
