It remains to be ascertained whether the military Court of Inquiry, now sitting at Washington will ignore the proofs of embalming beef, presented by Gen. Miles as the Alger commission did.

A commission which queered itself by shutting off all but the of evidence desired could not expect that its report would be convincing to any body.

Mr. McKinley might have known in advance that he couldn't scare democrats with his extra session bugaboo; he has much more reason to be afraid of an extra session of congress than the democratic party has.

Have Graham, the popular composer and the chief of music at Harvard's Theatre. Messrs. John P. Stratton's... Dear Sirs—I have given your Russian Gut Violin strings a thorough trial, and am pleased to state that they are the best I have used and most durable strings I have ever used. Yours truly, DAVE BRIDMAN

Why Do people buy Hood's Sarsaparilla in preference to any other?—In fact almost to the exclusion of all others? **Because** They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacist who originated it. The question of best is just as positively decided in favor of Hood's as the question of comparative value. Another thing: Every advertisement of Hood's Sarsaparilla is true, is honest.
