Mr. McKinley finds Georgia pleasant now, but he has never been there during the watermelon season.

Senator Frye seems to imply that Congressman Joe Cannon, a good republican brother, led in a recent statement commending the defeat of Nicaragua Canal legislation.

Joe Cannon would better have left his explanation of the billion and a half congress unwritten; it has done his party more harm than good, and the end isn't in sight.

Oh, no! political "pull" didn't have anything to do with disturbing those second lieutenantcies in the regular army, not a thing. It was merely accidental that those with the strongest political backing secured the plums.

## Great

Sales proved by the statements of leading druggists everywhere, show that the people have an abiding confidence in Hood's Sarsaparilla. Great

Cures proved by the voluntary statements of thousands of men and women show that Hood's Sarsaparilla actually does possess

Power over disease by purifying, enriching and invigorating the blood, upon which not only health but life itself depends. The great

Success of Hood's Sarsaparilla in curing others warrants you in believing that a faithful use of Hood's Sarsaparilla will cure you if you suffer from any trouble caused by impure blood.

Dave Graham, the popular comedian and Director of Music at Georgia's Theatre, says: "Dear Sirs—I have given your Borden's Great Malted Barley Flour a thorough trial, and am pleased to state that they are the best food and most durable strings I have ever used."  
Yours respectfully, DAVE GRAHAM.

## Why

Do people buy Hood's Sarsaparilla in preference to any other?—In fact almost to the exclusion of all others?

## Because

They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated Pharmacist who originated it.

The question of best is just as positively decided in favor of Hood's as the question of comparative sales.

Another thing: Every advertisement of Hood's Sarsaparilla is true, is honest.

If your tea is not good, why don't you drink water? It is cheaper and better for you than poor tea.

If it is good, your stomach is glad to get it; does its work better.  
Schilling's Best is good tea—at grocers' in packages.  
You know coffee is used fresh-roasted. Tea ought to be—for the same reason—the taste.

Ours are the only tea-firing works in the United States; Schilling's Best is always fresh-fired when it leaves our hands.
