MANHOOD RESTORED!

Dr. J. C. Felt's...

Esteban, the arch-plotter of the Dreyfus case, says he would like to join Agnaldo. The Filipino chief may be a good deal of a rascal himself, but what has he done to deserve such an insult?

So it has been discovered that the Klondike is really ours and not Great Britain's. Well perhaps—but it will probably be our great-grandsons who will see the matter finally settled—if they are lucky and long-lived.

A foolish native Porto Rican drew a knife on an American officer lately, and a Missouri volunteer struck the would-be snarler such a blow with his bare fist that he did not recover consciousness for hours. The Porto Rican natives perhaps didn't know before that the Missouri fist is to be classed among deadly weapons.

Dr. Price's Cream Baking Powder is the best in the world. It is made from the purest ingredients and is guaranteed to give you the best results. It is the only baking powder that is guaranteed to be pure and fresh.

Why Because

Do people buy Hood's Sarsaparilla in preference to any other?—In fact almost to the exclusion of all others?

Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacist who originated it. The question of best is just as positively decided in favor of Hood's as the question of comparative sales. Another thing: Every advertisement of Hood's Sarsaparilla is true, is honest.

Ours are the only tea-faring works in the United States; Schilling's Best is always fresh-fired when it leaves our hands.
