The general public will certainly protest against the proposed strike of "pants"-makers. A thing like this, if not nipped in the bud, might easily become awfully embarrassing.

School masters Otis, MacArthur, Wheaton and the rest continue to give the Filipinos valuable instruction upon the lesson which it is so necessary they should learn just now—the difference between Americans and Spaniards.

The author of a late novel, describing his ideal wife, says she should be able to walk ten miles every day without fatigue and to handle a 25-pound dumbbell with ease. It would seem only common precaution on the part of the man daring enough to marry this physical paragon that he should also require her to be reasonably good-natured.

Sales proved by the statements of leading druggists everywhere, show that the people have an abiding confidence in Hood's Sarsaparilla. Great

Cures proved by the voluntary statements of thousands of men and women show that Hood's Sarsaparilla actually does possess

power over disease by purifying, enriching and invigorating the blood, upon which not only health but life itself depends. The great

Success of Hood's Sarsaparilla in curing others warrants you in believing that a faithful use of Hood's Sarsaparilla will cure you if you suffer from any trouble caused by impure blood.

Have Graham, the popular composer and Director of Music at Harrigan's Theatre, says: "New York, March 1st, 1892. Messrs. John F. Stratton: Dear Sirs—I have given your Cream Baking Powder a thorough trial, and am pleased to state that they are the best I have used, most durable and give the best results. Yours truly, DAVE GRAHAM."

Why

Do people buy Hood's Sarsaparilla in preference to any other,—in fact almost to the exclusion of all others?

Because

They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacist who originated it. The question of cost is just as positively decided in favor of Hood's as the question of comparative sales. Every advertisement of Hood's Sarsaparilla is true, is honest.
