**MANHOOD RESTORED!** "VERY CURIOUS" case of a man who had been suffering from a long and severe case of Gonorrhea, which had been treated by all the best medical authorities, and who had been advised to give up all hope. He had been suffering for several years, and had lost all his strength and vitality. He had been advised to give up all hope, and to go to the grave. The new refrigerator now being provided for the military authorities at Manila may be useful in reducing the swelling of Agulnido's head, once he is caught. He probably has "cold feet".

An individual in the District was convicted of conspiracy and now brought suit for damage against the jury that found him guilty. The next thing will be for some strangled murderer to come back and sue the hangman.

The Philadelphia drug clerk who has just been sued for \$15,000 damages by the young lady whose hand he squeezed too hard should now have a realizing sense of the beauties of the old Moslem law—"An eye for an eye, a tooth for a tooth"—and a squeeze (financially) for a squeeze.

## Great Sales

proved by the statements of leading druggists everywhere, show that the people have an abiding confidence in Hood's Sarsaparilla. Great Cures proved by the voluntary statements of thousands of men and women show that Hood's Sarsaparilla actually does possess Power over disease by purifying, enriching and invigorating the blood, upon which not only health but life itself depends. The great Success of Hood's Sarsaparilla in curing others warrants you in believing that a faithful use of Hood's Sarsaparilla will cure you if you suffer from any trouble caused by impure blood.

## OPPRICES

# Clean Baking Powder.

Used in Millions of Homes—40 Years the Standard.

Have Graham the leading authority and Director of Baking at Harvard's Institute, New York, March 1st, 1891.

Four days' investigation, and he has concluded to state that they are the best food and most desirable strength I have ever used.

Yours respectfully, DAVID GRAHAM.

## Why Because

Do people buy Hood's Sarsaparilla in preference to any other?—In fact almost to the exclusion of all others?

They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacist who originated it.

The question of best is just as positively decided in favor of Hood's as the question of comparative sales.

Another thing: Every advertisement of Hood's Sarsaparilla is true, is honest.
