A dead Chinese having been found in St Louis with fire hatchet cute in his head, the police of the city are quoted as "believing it a case of murder." It certainly looks that way.

A British Judge has disallowed Lady Harburton's claim for damages against a landlord who declined to give the lady rooms because she came in Bloomers. That Judge is unreasonable. He wears a gown himself—why should he oppose the other sex making use of "compromise pants?"

Dave Braham, the popular composer and pianist, [illegible] at Harrigan's theatre, [illegible]

New York, March 1st, 1897.

Messrs. J. [illegible]

Dear Sirs:—I have taken your Powder out of [illegible] and find it to be the best I have ever used. I am pleased to state that they are the best touch and most durable strings I have ever used.

Yours respectfully, DAVE BRAHAM.

Why

Do people buy Hood's Sarsaparilla in preference to any other,—in fact almost to the exclusion of all others?

Because

They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacists who originated it.

The question of best is just as positively decided in favor of Hood's as the question of comparative sales.

Another thing: Every advertisement of Hood's Sarsaparilla is true, is honest.

Hood's Sarsaparilla

Hood's Pills are the only pills to take with Hood's Sarsaparilla.
