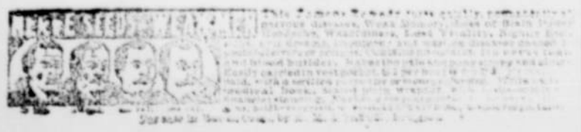
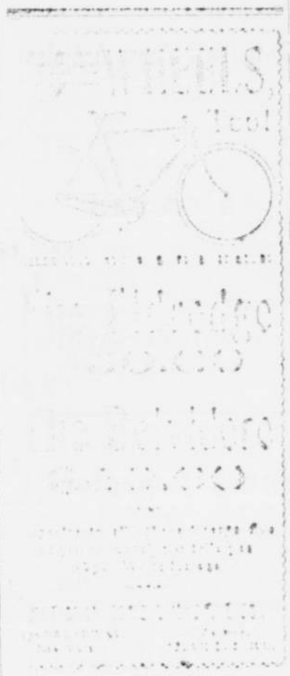
MANHOOD RESTORED!



Kruger stoutly asserts his belief that Queen Victoria will never consent for England to go to war with the Boers—but he continues buying guns, just the same. Possibly he distrusts the strength of ajesty's "pull" with the administration.

One thousand automobile carriages have been ordered for San Francisco, and passengers are to be carried to the park for 3 cents. The junkshop yawns for the cable and trolly wire, even as the embalmek beef factory does for the retired car horse.

The United States authorities are just now trying to hunt up fifty ambulances, shipped some where on a train of seventeen cars and which appear to have dropped completely off the earth. It's wonderful how easily little things like this can be lost.



Dave Topham, the popular farmer and Democratic candidate for county clerk, says:

Hon. J. D. Fry, Prineville, Ore.

Dear Sir:—Believing your Kidney Cure Pills to be the best remedy for the kidneys and backache, I have used them with the most satisfactory results, and do not hesitate in recommending them to all sufferers from kidney troubles.

Yours truly, DAVE TOPHAM.

Why

No people buy Hood's Sarsaparilla in preference to any other,—in fact almost by the exclusion of all others?

Because

They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacist who originated it.

The question of best is just as positively decided in favor of Hood's as the question of comparative sales.

Another thing: Every advertisement of Hood's Sarsaparilla is true, to honest.

If your tea is not good, why don't you drink water? It is cheaper and better for you than poor tea.

If it *is* good, your stomach is glad to get it; does its work better.

Schilling's Best is good tea—at grocers' in packages.

You know coffee is used fresh-roasted. Tea ought to be—for the same reason—the taste.

Ours are the only tea-firing works in the United States; *Schilling's Best* is always fresh-fired when it leaves our hands.
