Between September 20 and 25.

From the general talk among the base ball club and what has been received from clubs that contemplate meeting here, we can safely say the tournment will be held between the 20th and 25th of September, although no definite date has been decided on.

In talking to Manager Thompson yesterday we found that Canyon is anxious to participate and private letter received from there Monday evening states that the above date would be satisfactory. There had beeu some talk of beginning on Sept 18, but many who want to attend the races at Long Creek would also attend the tournmeat provided the dates do not conflict. The race meet closes at Long Cteek Sept 16 and by putting the date of this meeting the 20th or 22d it would give ample time to come from there.

The base ball club at Silver Lake wrote inquiring about the tournment and asked permission to enter. We understand the secretary of our local orgaization has written that clud to come. It was the intention in the first pface to put up purses for a contest in which Grant, Crook, Lake and Harney county organizations could compete and the Silver Lake club is not barred.

Manager Thompson will call a meeting within a dsy or two to make final arrangements and the posters will be out in a short time.
