Assistant Manager J. L. Foller of the Norwich Union Fire Insurance Society, of San Francisco Cal was in Burns last week inspecting the risks the company has at this place and checking up the office. Mr. Foller is dissatisfied with the action of the town council in approving the use of sheet iron pipes in fire limits and expressed a desire that they reconsider the matter and have all stove pipes and sheet iron flues replaced with brick or stone. While here Mr. Foller compromised the claim Mr. J. S. Bowen had against the company for \$1500 by paying him \$1100.
