This is the first opportunity Dr. Marsden has had for a vacation since he begun practicing in Burns, and he deserves a good rest. The time for their return is indefinite; it may be six weeks and it is possible they will be gone six months. The doctor has kindly promised THE TIMES-HERALD an occasional letter, which will be appreciated by its readers. The song service at the Presbyterian church last Sunday evening was attended by a large audience. In the absence of Rev. Templeton, Mrs. Laupshire presided. The church choir rendered most excellent and appropriate music. The members of the choir are possessed of rare vocal and instrumental talent, as was evidenced by their rendition and interpretation of difficult and pleasing selections from the "old masters." It is to be hoped that the choir will soon give our lovers of music another opportunity of listening to a second praise service. The social dance given by Prof. Smith at Lecher's hall last evening was a very pleasant affair. The ladies were charming, their dancing divine; the gentlemen were courteous and attentive; the stranger was made to feel at home; the music was excellent, and Prof. Smith kept everybody moving in perfect time to the sweet and seductive melody of James' orchestra. If any person present failed to enjoy themselves the fault certainly must have been their own. E. B. Reed is building a residence in the eastern part of Burns and as soon as completed will move his family in. The public hears a great deal about the fitting of glasses, but if they are not fitted on scientific principles it is time and money wasted and an injury to the eyes. If you go to Jorgensen you will be fitted correctly and on scientific principles and not hap-hazard guess-work. A man by the name of Blunt was arrested at Canyon City Thursday for threatening the life of one Wright at Marysville. He was taken before a justice of the peace for a hearing, but being too drunk the case was postponed until yesterday. J. H. Loggan came down from Harney yesterday. CLOSING EXERCISES Of The Teachers' Institute—An Interesting Session. The teachers' annual institute of this county convened in Burns last Wednesday morning, J. H. Ackerman, state superintendent of public instruction, was present and conducting the work Wednesday and Thursday. An important engagement in Portland made it necessary for him to leave Friday morning, much to the regret of our teachers and all concerned. Prof. Ackerman based his work upon the state course of study now being introduced into our schools and the instruction given by him to our teachers was of incalculable value. Friday's work was conducted by Messrs. Leonard and Dillard, both of whom acquitted themselves very creditably, considering they were following so able a conductor as Prof. Ackerman. Taken all through the institute just closed was one of the most successful ever held in this county. Teachers present were: Misses Rosa Venator, Lela McGee, Josie Locher, Bessie Harkey, Lena Harkey, Gay Delmas, Maude Ragon, Annie McNulty, Bessie Hardisty, Katie Ferguson, Elsie McKinnon, Libbie DeCoudress, Ollie Rutherford; Mesdames Mary Foley, Eva Byrd; Messrs. H. A. Dillard, C. H. Leonard, W. B. Rutherford, J. H. Alberson, G. O. Hendricks. Teachers absent: Mesdames Julia Clark, Lottie Hembree; Misses Etta Eastland, Ella Thompson, Susie Smith, Myrtle Porter, Rose Walls, Lizzie Walls; Messrs. Burtis Bartlett, Clarence Drinkwater. Owing to the late hour of receiving the report we cannot give a full report of the proceedings as we would like. Jurors Drawn. Following is a list of names of jurors subpoenaed for the fall term of circuit court to convene here Oct. 23: Jack Craddock, stockman; L. R. Hayes, stockman; F. M. Bunyard, stockman; C. E. McPheters, painter; Geo. D. Hill, stockman; Seth Bower, merchant; Walter Cross, stockman; M. E. B. B. B. B. A. Haines, stockman; S. W. Hamilton, liverman; Loyd Culp, painter; Chas. Lackman, stone mason; Chas. Anderson, hotel keeper; H. B. Mace, rancher; R. J. McKinnon, rancher; Frank Whiting, rancher; I. S. Geer, merchant; Byron Hamilton, teamster; Joe Clark, stockman; P. M. McClure, laborer; S. F. Hutton, stockman; R. D. Baker, stockman; E. A. Ducan, rancher. First Grade Certificates. The state board of education, so I am informed by Professor Ackerman, has ruled that teachers holding first grade certificates, state diplomas and state certificates can come before the board of examiners and, if successful, will be granted a first grade. This action of the state board was taken because of so many successful first grade teachers, not being able to pass in the added branches, would be compelled to abandon the profession. This would undoubtedly work a hardship on our schools, as many of them are eminently qualified for our primary schools and are very able teachers. W. C. BYRD, School Supt. The third annual glove contest, under the auspices of the Burns Athletic Club, will be held October 28th. The contestants are Win Kennedy, of Montana, vs. Charles Green, of Oregon, two rounds; C. Smith vs. H. Reed, four rounds; J. E. Herox vs. M. Chevalier, ten rounds. There will also be bag punching, club swinging, etc. Robt. Hartin returned to Lakeview Tuesday, having been absent in Canyon for several months. Mrs. Hartin has so far recovered from the accident she met with several months ago, as to be about without the aid of crutches. Their little son, who suffered a broken arm at Canyon City recently, is improving slowly, the fracture being a bad one in the elbow. Mrs. Hartin is visit-

Scoules, of Andrews, arrived in town last Saturday with a little son of Mr. Aldgard. Drs. Marsden and Geary removed a piece of steel from the little fellow's eye. Teams are going to and from the cheapest store with wagon loads of goods—and the O. C. Co. of Huntington have this distinction; can you afford to overlook them? The ladies of the Baptist church will give a box supper on the evening, Oct. 25. Tea and coffee will be served. The proceeds will be applied on the church debt. "Where are the people getting their fall supplies," is asked. "We understand the O. C. Co., Huntington, are the people that are supplying them from their large stock and extremely low prices." Mrs. Margaret Luckte, grand matron of the order of Eastern Star, arrived in Burns last Monday and remained until Thursday. Mrs. Luckte is engaged in visiting all the Chapters in this jurisdiction, exemplifying the work and aiding in the great work of charity. Deputy U. S. Marshal Roberts was in Burns the first of the week summoning quite a number of ranchers who own dams on Silver river and taking water out for irrigating purposes above the Island ranch. The P. S. L. Co. have brought suit in the U. S. court at Portland, and the parties are summoned to appear at that place November 6th, to answer the complaint filed against them. Charles Hopper, the young man who was arrested in Doreway the first of the week by an officer from Grant county, and taken to Canyon City, charged with selling liquor to minors in John Day, had his preliminary hearing there and was held in the sum of \$300 to await the action of the grand jury on his case. Not being able to furnish bail he was remanded to the custody of the sheriff. S. F. Hutton and two sons R. L. and Thos. Hutton, of Wagontire, were at the commercial last Saturday. The Huttons are prominent stockmen of the Wagontire country, and brought in 210 head of beef cattle which were purchase by F. J. Reynolds of the Oakland Meat Co. There were a few dry cows in the bunch and the remainder were three, four and five-year-old steers, as fine as were ever driven through this country, and the majority of the band brought \$40 per head.—Lakeview Examiner, Oct. 5.

A BOLD HIGHWAYMAN Held Up the Sumpter-Canyon Stage Monday Night. The "lone highwayman" is again abroad in the wilds of Eastern Oregon. He held up the Sumpter-Canyon stage Monday night on the summit of Dixie mountain, and commanded the driver to throw out the express box, which the latter instantly proceeded to do. No demand was made for the mail bags. After receiving the express box, the robber told the driver to proceed on his way. The highwayman gained nothing for his trouble, for the box did not contain any money. In the mail pouches, however, there is considerable gold dust. It is quite likely the desperado knew that the dust was aboard the stage and expected to find it in the express box, which would account for his not molesting Uncle Sam's mail bags. There was only one passenger on board the stage and he was not molested. There is no trace to the robber as yet. GLOVES, GLOVES, GLOVES.
