On last Friday evening about 7 o'clock the fire alarm was turned in and there was a general rush. It was simply a bon fire started for the purpose of drilling the boys and while it was intended as a surprise several of each fire company were "on to it". The people of this place and surrounding country are undoubtedly aware of how I have suffered from eye trouble for a long time, my right eye being almost blind. They were caught on Silver creek and had stolen not only chickens but harness and several other loose things at Sweek's barn. They settled up.

A meeting of the young people, of the Presbyterian church at the residence of Dr. and Mrs. Hibbard last night was one of the most enjoyable gatherings ever held in Burns. "Hill gull" was played and each had to pay 5 cents for 10 beans to start with. This amount was turned into the fund for song books.
