ability. Ed Test, the cashier, is
one of the most popular men in
this section and needs no introduc-
tion to our readers.

Queen Quality

The Famous \$3.00 Shoe for Women

The makers of the "Queen Quality" Shoe for Women have given us
the exclusive right for the sale of their shoes in Harney County.

WE have taken this shoe because we believe it to be the one shoe in the the United States
at its price that is without a peer. Other shoes there are, but for the additional dollar
or half dollar we can't see where the improvement comes in. This matter was care-
fully looked into before we took this step, because we wanted to be sure that we were going the
right way—giving the women of this section the best shoe in the country for \$3.00.

About these Shoes:

There are many different styles of "Queen Quality" Shoes and lasts for every purpose for which
a shoe is wanted. Blausch, High Arched, Modish, Beau Ideal and the Balty Parisienne, are some of
the leading shapes. The good taste with which the small points are combined, giving a slender,
pretty look to the foot, with the feeling of perfect comfort, cannot be too highly emphasized. And
the exceptional fit, appearance and wear of these shoes is the result of the long years of experience
gained in fine shoemaking by the largest manufacturers of women's shoes in the world. Re-
member the shoe is built right at toe, heel and instep.

Remember that the famous Kimbo Leathers are used--
and one price, \$3.00 None higher.
