The Cottage Hotel building on the corner south of this office is being rushed to completion. This will be one of the handsomest business houses in Burns when it is finished, and one especially adapted for its use. The French roof and dormer windows with their neat gable ornaments are a relief to the usual square fronts along main street and will attract much attention.

The Harney County Fair Association is discussing the advisability of postponing the date of fair to October. Owing to the cold and backward spring many will still be harvesting and threshing at the date now set. Another thing the later date would come at a time when it would be most convenient for our farmers and ranchers to attend. The matter has not been fully settled, but we will give definite information on the subject in our next issue.
