## Alone In Its Field.

Royal Tailoring furnishes the most practical solution of the problem of dressing well on little money.

We have a line of nearly six hundred patterns in fall and winter suitings for the season of 1901-'02.

These are of both foreign and domestic manufacture, and embrace all of the really nobby dress designs of the day-and best of all, we practically bring these goods to your very door,

We have a dealer in your town who has all our samples. He is skilled in the manipulation of our copyrighted measurement system, and will personally guarantee to you stylishly cut and properly fitting garments. He can make this guarantee for the reason that we make it to him.

We make garments to measure only-never otherwise. We employ high-salaried expert cutters and designers, and our workmanship is thorough in every detail.

If you have heretofore been a patron of your local tailor we would like just one opportunity to show you how to get the same satisfactory service at a saving of twenty-five to forty per cent.

If you will call on your local dealer in Royal Tailoring and see what he has to offer we are willing to leave the outcome to your own
