candidate for the office of county  
clerk, subject to the action of the  
democratic county convention.

FRANK S. RIEDER.

I hereby announce myself as a  
candidate for the office of Sheriff,  
subject to the action of the demo-  
cratic county convention.

GEO. SHELLEY.

I hereby announce myself as a  
candidate for the office of Sheriff,  
subject to the action of the republi-  
can county convention.

M. H. BRENTON.

#### Local News.

Remember the benefit production  
of "Hickory Farm" Monday night.

J. C. Johnson, Al Cote and E. J.  
Chandler, of Warm Springs all took  
in the fancy dress ball last night.

Ed. Hurlbert, an employee of  
the White Horse ranch, was among  
those who took in the ball last  
night.

Rev. A. J. Irwin returned home  
Sunday afternoon from Lawen  
where he had been conducting reli-  
gious services for two weeks. We  
are informed he met with very en-  
couraging results, adding a num-  
ber of converts to his church.

W. C. Sanford has sold his prop-  
erty in south Burns to P. G. and  
Chip Smith and has moved his  
family into the building north of  
his office. We understand Mr.  
Sanford will return to the Willam-  
ette valley in the spring where he  
will again take up his residence.

The contata "Phyllis, the Farmers  
Daughter," will be put on the  
boards some time next month by  
Messrs Holmes & Phelps assisted  
by their music class. This prom-  
ises to be a rare treat. Mrs. H.  
C. Levens will take the principal  
supra part in the contata.

We are in receipt of a shipment  
of "The Boss" Roaster, Baker and  
Steamer which will be given away  
to our customers. They are a very  
useful, desirable and necessary ar-  
ticle. When you have made cash  
purchases to the amount of \$30 a  
roaster is given to you. Call and  
get a card filled out. Miller  
& Thompson.

Tom Vickers spent a few days in  
Burns this week.

Dr. Kern, of Narrows was a busi-  
ness visitor to our city the first of  
the week.

Tom Anderson the Harnsy sa-  
loon man, was circulating among  
his friends in Burns the first of the  
week.

Sylvester Smith was up from  
Narrows the first of the week on  
land business.

Our friend, W. B. Johnson re-  
turned home to Silver creek the  
first of the week after a few days  
visit with his family in our city.

Mrs. Sagers solicits a share of  
the public patronage. Her bakery  
turns out good eatables. Rye and  
graham bread as well as white al-  
ways on hand.

Henry Trowbridge and John  
Laycock, two lize stockmen, were  
here this week, having come over  
to look after some stock that had  
strayed from the range in that sec-  
tion.

The water came down in such a  
flood the first of the week that it  
cut through the grade in the Potter  
swamp road. This was one of the  
best pieces of grade work ever done  
in this country. The culvert was  
not large enough to allow the large  
volume of water to go through and  
as a consequence washed around  
each side.

We made a trip to Lawen the  
first of the week and nearly starved  
to death on the road home on ac-  
count of the bad roads. The little  
city of Lawen was found very quiet  
and every body attending  
strictly to business. Postmaster  
Gray has moved the office and his  
stock of general merchandise into  
his large new store and is always  
ready to extend the glad hand to  
his friends and customers.

Under the head of "Political An-  
nouncements" will be found that of  
M. H. Brenton as a candidate for  
the nomination of sheriff on the  
republican ticket. Mart is one of  
the pioneer residents of Harney  
valley and is as well known to the  
voters of this county as any man  
within its borders. His many  
friends hope to see him nominated.

As many who attended the pro-  
duction of "Hickory Farm" on the  
7th inst urge its reproduction as  
well as a number who were unable  
to attend, the drama will again be  
presented Monday night next, Feb.  
17, at Floral hall. The proceeds  
will all be given to charity and  
used in a deserving cause. Admis-  
sion will be adults, 25 cents, child-  
ren 15. The curtain will raise  
promptly at 8:15. A good walk  
will be placed from town to the  
hall.

Taylor Simmons was up from  
Narrows a few days this week.

P. C. Peterson, the sheepman,  
was seen on our streets this week.  
Silvies river is "too full" and the  
water is spreading out over consid-  
erable territory.

Mrs. Jennie Jones is in Burns  
this week, the guest of her daughter  
Mrs. J. C. Welcome Jr.

Frank Stauffer was a business  
visitor the first of the week. He  
had just recently returned from a  
visit to his brother Ed and family  
at Winnemucca and points in Cali-  
fornia. He reports Ed and family  
well.

Sheepmen who have been win-  
tering their stock in the Lawen vic-  
inity have all taken their flocks to  
the hills. Cattlemen in that sec-  
tion are also contemplating turning  
their stock to the hills and spring  
range.

The Ontario-Burns stage has  
been very irregular the past week  
on account of the almost impassable  
condition of the roads. Manager  
Kellogg is doing his best and the  
people are well satisfied that the  
mail gets here at all.

C. S. Biggs and wife have gone to  
Canyon City to take up their resi-  
dence where Mr. Biggs has gone  
into business. They have many  
friends in this section who will re-  
joice in their success and who hope  
that Claud will become a millionair  
in a short time.

At a call meeting of the "city  
dads" this week L. Woldenberg jr.  
was appointed city recorder made  
vacant by the resignation of C. S.  
Biggs. Mr. Woldenberg will fill  
the office until his successor is elect-  
ed at the regular election which oc-  
curs next month.

John Bilger informs us he ex-  
pects to leave next week for  
Washington where he will go in  
business. John has been a resi-  
dent of our city for several years  
and has many warm friends who  
wish him success in any undertak-  
ing he may venture. He is a good  
steady, modest young man and we  
lose a good citizen.

Mrs. John Gemberling received a  
message Saturday evening that her  
mother, who lives in Pennsylvania,  
was seriously ill and on Sunday  
made preparations to go to her bed-  
side. Later advices stated the lady  
was better and Mrs. G. postponed  
starting east. She will make her  
mother a visit, however later—as  
soon as the roads are in better con-  
dition.

The announcement of Geo. Shel-  
ley as a candidate for sheriff on the  
democratic ticket is published in  
this issue. Mr. Shelley has held  
that office the past two years and  
as is the custom again asks his  
party for the nomination. His  
run two years ago against a very  
popular opponent showed that he  
was a man with many friends who  
had confidence in him and his abil-  
ity. Mr. Shelley will again make  
a good run should his party re-  
nominate him.

Dr. H. S. Brownton of the dental  
firm of Hibbard & Brownton, re-  
turned home Wednesday from an  
extended visit to San Francisco  
where he spent some time with re-  
latives. While there he also took  
a higher course in dentistry. Dr.  
Brownton came from Winnemucca  
by private conveyance and attend-  
ed to some of the practice of the  
firm while enroute. The doctor is  
glad to get back among his bunch  
grass friends.

"Captain Racket," one of the  
funniest comedys ever produced,  
will be the next effort of the am-  
ateurs of Burns. It will be under  
the direct management of Mr.  
Holmes the elocutionist and is by  
far the most humorous comedy ever  
seen here. The date is fixed for  
March 7. A part of the proceeds  
from this production will be given  
to the public school library fund  
and "Wou Back" the military play  
will follow it shortly with all the  
proceeds going to the library fund.

J. R. Jenkins spent a few days in  
our city this week. Mr. Jenkins  
says the escaped convict from the  
Idaho penitentiary, who is reported  
as being in a trap in the Owyhee  
country, is not there. At least a  
man answering his description and  
riding M. N. Feghty's old horse,  
took dinner with Mr. J's. camp-  
tender not long ago. The camp-  
tender wanted to hire him but he  
said that "getting a job was the  
least of his troubles just now" and  
left going west. Mr. Jenkins is  
satisfied he is the man wanted.

James Paul is in from his ranch  
in Happy valley. Jim has nothing  
new of interest.

James Turner and wife, Elmer  
Turner and wife and Joe Turner  
were all in from Welcomeville to  
take in the ball last night.

Mrs. Emil Baker, who has been  
sick for some time and improving,  
has taken a relapse and is again  
quite sick.

Foreman Cronin of the Island  
ranch, Chas. Owens and Loyd  
Johnson were all in our city this  
afternoon.

Frank Shumway, of Minnesota,  
arrived here this week with the in-  
tention of locating in this section  
and engaging in the stock business.  
Mr. Shumway is well pleased with  
this section and the people.

Mrs. Clara Marsden, worthy  
grand matron of the O. E. S. left  
last week for Portland and other  
points to officially visit several  
lodges which were not included in  
her tour of last fall.

DIED—At the home of Juan  
Redon, near Andrews postoffice, on  
last Sunday, Feb 9, N. E. Snow,  
aged 78. The old gentleman had  
been feeble for sometime and his  
death was caused from old age.  
We do not know how long deceased  
had been a resident of this county.

The fancy dress ball was well at-  
tended in spite of the bad weather  
and roads. Miss Whitmore won  
the prize given for the ladies—a  
beautiful ring set with opals. El-  
don Johnson was awarded the silk  
hat, the prize given for the gentle-  
men.

The students of the Citizens busi-  
ness College will give an entertain-  
ment at Floral Hall Tuesday even-  
ing. The program will consist of  
music, orations, declamations, dia-  
logues, farces and tableaux. They  
have given much time to practice  
and it promises to be very interest-  
ing and entertaining. The proceeds  
from this entertainment will be  
used to pay for the college organ.  
This should be well patronized by  
our citizens as it is deserving.

#### Socialists Mass Convention.

Notice is hereby given that a  
mass convention of the socialist  
party of Harney county will be  
held in Burns, Oregon on Wednes-  
day March 5, 1902 at 1 o'clock p.  
m. at the court house for the pur-  
pose of electing delegates to the  
state convention to be held in Port-  
land on March 19 and for such  
other business as may come before  
the convention.

C. P. RUTHERFORD,  
Acting chairman.

Burns, Feb. 15.

#### Narrows Happenings.

Spring is here—ducks and geese  
have come back.

Geo. Simmons made a trip to  
Happy valley this week. We think  
George is looking for a cook.

The mask ball here the 7th of  
February was a grand success.  
Everybody had a fine time.

F. M. Bunyard and wife of Cow  
creek attended the mask ball here  
the 7th.

Marion Horton and wife passed  
through here this week on their  
way to Burns. They stayed over  
for the dance.

Chas. Hordisty of Silver creek,  
furnished the music here for the  
dance last Friday.

Chas Collins is staying with Ed-  
die Anderson at present, breaking  
horses.

J. T. Ware has gone to Burns to  
spend a few days visiting with his  
family.

George Ware is shaking hands  
with his many friends here.

Among those attending the dance  
from Happy valley were D. H.  
Smyth and family Wm. McKenzie

to Diamond valley this week.

Home Comfort range stove, is here  
this week taking orders.

with Miss Martha Rowe of this  
place.

Mr. Fred Russell of Diamond  
made the Narrows a pleasant call  
this week.
