One of the big irrigation enterprises of Eastern Oregon has just been completed by Wm. Altnow at his Otis Valley ranch. Mr. Altnow has one of the best reservoirs in Oregon and one which has taken many months and much money to accomplish. The dam is 730 feet long with an average height of 24 feet and an 80 foot base. The flume is cement with an iron head gate. The reservoir will hold an immense body of water and will irrigate many acres. Such an undertaking is certainly commendable and Mr. Altnow deserves the benefits he will derive from it.

Geo. E. Patterson returned last Friday from a hunting trip to Harney county. Jack and Ed Chambers, who went over with Mr. Patterson, remained at Harney lake and will kill a few thousand ducks and geese before returning home.—Canyon Eagle.

Come to Weston.

Weston, Oregon, is an ideal home town. Beautifully situated in the richest part of the rich empire where wheat is king, with pleasant surroundings and superb climate, its attractions to the home-seeker are manifold. It has a splendid gravity system, amply supplied by mountain springs, and offers free water for ten years to home-builders. The only state school in Eastern Oregon—an excellent institution under progressive management—is here. Weston gave to the state its first Normal building and afterwards donated a ten-acre site—the best property in the city—the new Normal grounds. At this date, October 23, 1902, it has granted a valuable acre strip adjoining to complete the grounds. Fine building sites on Normal heights may be cheaply had, with shade trees, grading, sidewalks and city water free. Weston is the place to locate and "school your children." Desirable land may be had for a reasonable figure, considering its productive value. For information in detail address Weston Improvement Association, Weston, Oregon.

Harney Locals.

Quite a number of Harneyites are in attendance on court this week at the county seat.
