Come to Weston.

Weston, Oregon, is an ideal home town. Beautifully situated in the richest part of the rich empire where wheat is king, with pleasant surroundings and superb climate. Its attractions to the home-seekers are manifold. It has a splendid gravity system, amply supplied by mountain springs, and offers free water for ten years to home-builders. The only state school in Eastern Oregon--an excellent institution under progressive management--is here. Weston gave to the state its first Normal building and afterwards donated a ten-acre site--the best property in the city--the new Normal grounds. At this date, October 23, 1902, it has granted a valuable acre strip adjoining to complete the grounds. Fine building sites on Normal heights may be cheaply had, with shade trees, grading, sidewalks and city water free. Weston is the place to locate and "school your children." Desirable land may be had for a reasonable figure, considering its productive value. For information in detail address Weston Improvement Association, Weston, Oregon.
