## Harney Locals.

have lately gone into winter quar-

Baker City last week.

Harney has lately opened another saloon.

Harney now has several new buildings, fair crossings, a public windmill, and an excellent town hall. With these improvements it certainly would be in keeping for our town council to appropriate a few dollars for a public library.

Mrs Robt. Irving and children 1902. spent a few days in Burns this

Part of the electric light plant passed through here this week en route to Burns.

Asa and Jacob Shown left here a few days ago for their old home in Tennessee. They expect to attend college there.

This has been a very busy week at the college, students are pursuing their studies with renewed life and interest. This being the first week of the second month a gener al review of the previous month's work has occupied a share of the attention of the pupils.

The students are divided into two companies, (A & B) for spelling, and each month the defeated company gives a supper to the students of the college as a punishment for poor spelling. This Saturday evening is the time appointed for the first supper. Company A,being host, and great preparations are being made.

New students: John McMullen, Burns, English department. Myrtle Smyth, Happy valley, English de-English department, Cal Clemens, Burns, Commercial department, Clay Clemens Burns, Commercial department.

On special request, a department of higher mathematics will be opened the first of the year. In this department we will carry students through Algebra, Plain & Solid Geometry and Trigonometry, also a course in the history of mathemattes.
