JULIAN BYRD - - - - - Manager

Binger Hermann was the successful man at the republican convention at Eugene last week, and was nominated for congress on the 24th ballot.

Smallpox of an indignant type is raging in The Dalles, Shaniko and Prineville, and Dr. Hatchinson, state health officer, has gone out from Portland to personally take charge of the cases and if possible stop the spread of the disease.

Senator John H. Mitchell, evidently intends treating his constituents in this section right so far as garden seeds are concerned. On Thursday morning this office received a small mail bag well filled with a variety of seeds for distribution.

The article on the first page of this issue headed "Looks Blue" might be taken seriously if it were not known that Mr. Newell never authorized such a statement. Engineer Whistler was shown a copy of the Oregonian in which the article appeared and he said Mr. Newell certainly never made the statement that the Harney County irrigation project would likely be passed by the engineers on account of conflicting water rights.

Everyone who has been reading the Oregonian since last fall knows that it has never failed to throw cold water on our project. Just why this is, we do not know. Of course we are somewhat isolated and Portland would not realize as much, perhaps, as from some other location—unless, of course, the business men of Burns should build a railroad to Portland. This is quite as likely as for the latter helping to build a road into this section.

NOT GUILTY.

Many moons ago the manager of this great religious weekly purchased with a big press, type-setting machine and other printing paraphernalia, one second-hand gasoline engine. This particular part of the machinery needed some extras, which were ordered and a part of which arrived O. K. After eight months delay the rest of the fixtures, which had been lost and had been carried by transportation companies to possibly the Philippines, China and Cuba, arrived, and we had visions of seeing the many wheels so long idle start.

Ray Smith spent most of this week in placing the new parts in position and when all was in readiness touched her off—but she didn't go. After much adjusting, accompanied by some expressive language in which the manager was an able assistant, Ray powered the engine dead.

Coroner Marsden happened in shortly after and begun a post-mortem examination, it having been reported that Ray was the cause of its death. "Dr." Jack Scarf was called to give expert testimony and made the startling disclosure that life was not yet extinct. While its pulse was very weak, there were unmistakable signs of life and resuscitation was at once begun. After careful examination by the consulting physicians it was found that a new set of piston rings would quite likely give it new life and energy.

Due Notice is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits.

CIRCUIT COURT.

The regular April term of the Circuit Court for Harney County will convene in the Circuit Court room next Monday, with Hon. M. D. Clifford on the bench. Hon. Wm. Miller as District Attorney, F. S. Rieder as Clerk and Tom Allen as Sheriff. The following taxpayers have been drawn to serve as jurors on the regular panel, viz: Dan Deffenbaugh, J. C. Beatty, Geo. A. Smyth Jr., M. M. Doan, J. C. Creasman, Jos. Catlow, J. R. Jenkins, Chas. Turner, W. A. Camybell, Walter Gray, F. W. Cummins, L. F. Denio, W. M. Fredericks, M. B. Hayes, Jesse M. Bunyard, C. A. Bonnett, P. M. Cheney, W. B. Parker, Dean Horton, S. F. Tyler, Tom Delaney, Dave Turner, J. M. McMullen, John Carey, A. J. Johnson, A. B. Marks, J. G. Holebo, Albert Aitnow, Dave Miller, J. M. Farrens.

The docket for this term is exceptionally light, and it is not likely that court will last over ten days at the outside. It is hardly probable that a grand jury will be called as there is no criminal business on the docket.

The most important case to come up at this term is that of Jeff Billingsley against the Pacific Live Stock Company and Mrs. Jennie Devine, involving about 800 acres of the Devine ranch. The most interesting case to the residents of Burns will be the contest of George vs. Jameson for the office of Marshal. Following is the docket as it will appear at the opening of court, but quite a number of these cases have been settled and will be dismissed as soon as called.

Good for Children.

The pleasant to take and harmless One Minute Cough Care gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues.—Burns Druggists.
