A wester editor was running the motto, "We tell the truth," at the head of his paper. A few days ago, however, he was compelled to encounter several gentlemen? who objected to the truth being told, and as a consequence the motto disappeared and the following notice was printed: "Until we recover from injuries recently received, this paper will lie just the same as the rest of them.—Western Publisher.

There should be but one act upon our statute books under which public land can be acquired, and that one act should be a genuine homestead act, which imposes a residence of five years and continuous cultivation of the soil—an act having no commutation provisions attached to it, an act which will mean to this government, that a homestead entry made upon the books, signifies that a family alter has been planted upon the soil.—Report of Senate Committee on Public Lands.

The Baker City butcher who willfully distributed the meat of an animal affected with lumpy jaw, among his customers, should spend the remainder of his life at hard labor for the state. What punishment should be meted out, in justice, to a wretch who for the sake of $50 profit, will menace the health of innocent families with beef unfit for use? It is a crime that is so vital to society that the question at once arises. Is business for private gain safe in the hands of irresponsible men? What limits should be placed on liberty? Should society be subjected to the greedy propensities of dealers who are willing to sacrifice public health, even life, in their hunt for profits? The state must make an emample of one of these vampires—the sooner, the better for the public good.—East Oregonian.

The issue of the April number of the Pacific Monthly marks another long stride in the progress which characterizes this excellent publication. In the variety and character of its contents, the beauty and profusion of its illustrations, and the vigor and timeliness of its editorial utterances, it need not shrink from comparison with any magazine in the United States.

The Frontispiece showe the famous Sheepeaters' Monument, a wonderful rock formation in the Thunder Mountain district, Idaho.

A Great Newspaper.

The Sunday edition of the St. Louis Republic is a marvel of modern newspaper enterprise. The orginization of its news services is world-wide, complete in every department; in fact, superior to that of any other newspaper.

The magazine section is illustrated in daintily tinted colors and splendid half-tone pictures. This section contains more high-class literary matter than any of the monthly magazines. The fashions illustrated in natural colors are especially valuable to the ladies.

The colored comic section is a genuine laugh-maker. The funny cartoons are by the best artists. The humorous stories are high class, by authors of national reputation.

Sheet music, a high-class, popular song, is furnished free every Sunday in the Republic.

The price of the Sunday Republic by mail one year is $2.00. For sale by all news dealers.

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF
DEAFNESS OR HARD HEARING
ARE NOW CURABLE
by our new invention. Only those born deaf are incurable.
HEAD NOISES CEASE IMMEDIATELY.
F. A. WERMAN, OF BALTIMORE, SAYS:
BALTIMORE, Md., March 30, 1901.
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.
About five years ago my right ear began to sing, and this kept on getting worse, until I lost my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,
F. A. WERMAN, 719 S. Broadway, Baltimore, Md.
Our treatment does not interfere with your usual occupation.
Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost.
