That great dispenser of information, Times-Herald of Burns, in an article last week headed "A Little Hasty," says the Gazette's article in regard to the big reservoir for Malheur basin was a little premature, as nothing can be learned of it, except from the Gazette. My Country, man! what more do you want? Where have the people of this country been getting their information, if not from the Gazette? The Herald further says that the Oregonian has published an article showing where government surveys will be made this summer, and fails to mention Malheur county at all. Well now, Brother Byrd, havent you been in the newspaper business long enough to know that the Gazette is to be believed before the Oregonian? Why don't you take your information first handed? Don't you know that the Oregonian takes all its best reading matter from the Gazette? Didn't you see in last Saturday's Oregonian a whole column of "stuff" taken from the Gazette, without giving us any credit? Now, neighbor, don't worry about Malheur county not getting the survey and reservoir too. Keep your eye on the Gazette—Vale Gazette.

The Times-Herald stands corrected and has been justly rebuked. It should never have doubted that great paper in the first place. The little matter of the U. S. Land Office here not being notified that all the land in the Malheur basin has been withdrawn was secondary. Of course the Gazette would have been notified first and in such case the land office does not need to know.

The Times-Herald is glad to learn that the Gazette is so close to the administration and congratulates it upon its exclusive news service. It evidently made a "scoop" on the full page article, for its neighbors at Ontario were silent, but of course they are like The Times-Herald—not in the Gazette's class.

Seriously we would be pleased to learn that Malheur county had been so fortunate as to get government aid for irrigation works; but being in a position to find if the land had been withdrawn we made inquiry and unlike the Oregonian, failed to give the Gazette preference. We were under the impression—and still feel, for that matter—that the Gazette was the victim of a "shop dream" and that in justice to the people of Eastern Oregon we should state the mere fact that the local land office had not at that time or yet, received instructions to withdraw the land from entry.

The U. P. boilermakers who have been on a strike for the past year, have settled the differences with the railroad people and have returned to work, having secured higher wages.

ARE YOU DEAF?

ANY HEAD NOISES?
ALL CASES OF
DEAFNESS OR HARD HEARING
ARE NOW CURABLE
by our new invention. Only those born deaf are incurable.
HEAD NOISES CEASE IMMEDIATELY.
F. A. WERMAN, OF BALTIMORE, SAYS:
BALTIMORE, Md., March 30, 1901.
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.
About five years ago my right ear began to sing, and this kept on getting worse, until I lost my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,
F. A. WERMAN, 730 S. Broadway, Baltimore, Md.
Our treatment does not interfere with your usual occupation.
Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost.
