The Baby's Complaint.
I am a baby, 11 months old and nearly worn out already. Please let me alone!

I am not a prodigy, except to the extent that, not having anything to say, I don't talk. Two big persons claim to be my parents—why can't they let it go at that? I have never denied the charge. I haven't much data to go by, but I don't think I am either a magician, a learned pig or a virtuoso. I don't hanker for applause; so it will be an appreciated favor if you won't put me through any parlor tricks.

If I have my wealthy old Uncle Ezra's nose, congratulate Uncle Ezra, but don't blame me. I may be a kleptomaniac, for all I know, but I can't help it.

Don't rattle rattles at me. They rattle me. Don't go-goo and cotsick-cotsie at me. I can't understand it any better than I can the English language.

The pain I have is not in my stomach, but in my neck. I don't want to be entertained or mystified or medicated or applauded. And, if you don't want me to grow up to be a hypochondriac, a stamp collector, an awful example, a ping-pong enthusiast or a misanthrope, you just lemme be.—Smart Set.

Five hundred rabbits and one coyote met death in the Hay Creek neighborhood during the hailstorm Monday afternoon. The rabbits were killed outright by

the hailstones and coyote was knocked down by them. A sheepman there seeing the animal's predicament, held a saddle over his head to keep from getting killed himself, and went out and clubbed the coyote to death. In such wise do all the elements conspire to do good to this favored country.—Bend Bulletin.

A Caldwell editor says he has two subscribers who get full frequently, and every time they are in that condition they come in and pay a year in advance on subscription. One of them is already credited to 1941, the other to 1939. We would like to know what brand of whisky they drink.—Ontario Arpus.

When a young man is graduated from college he reads an address wherein he says that people must do wonderful things to attain success and climb high and rugged mountains. This is not the truth. The fact is, says the Atchison Globe, that the road to success has been blazed so clearly that no one need go astray. Success is easier than failure. There are thousands of people to direct the young man. All the young need to do to win success is to follow a few simple and honest rules. It is the loafer, the liar, the dishonest man, who travels a rough road and is wretched.

The magazine section is illustrated in daintily tinted colors and splendid half-tone pictures. This section contains more high-class literary matter than any of the monthly magazines. The fashions illustrated in natural colors are especially valuable to the ladies.

The colored comic section is a genuine laugh-maker. The funny cartoons are by the best artists. The humorous stories are high class, by authors of national reputation.

Sheet music, a high-class, popular song, is furnished free every Sunday in the Republic.

The price of the Sunday Republic by mail one year is \$2.00. For sale by all news dealers.

Dr. MARLIN
I have a case to recommend. The tip of the right ear of my son, who is now 12 years old, was so severely injured by a fall from a tree that it was nearly severed. The injury was so severe that the ear was almost entirely lost. I had heard of Dr. Marlin's treatment and decided to try it. After using it only a few days, the ear began to grow again. In a few weeks it was completely restored. I can't say enough for Dr. Marlin's treatment. It is a real life-saver.

ARE YOU DEAF? ANY HEAD NOISES? ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS:

Gen'lman:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case. I was born deaf in my right ear. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that unless an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 728 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.
