A Great Newspaper.

The Sunday edition of the St Louis Republic is a marvel of modern newspaper enterprise. The orginization of its news services is world-wide, complete in every department; in tact, superior to that of any other newspaper.

The magazine section is illustrated in daintily tinted colors and splendid half-tone pictures. This section contains more high-class literary matter than any of the monthly magazines. The fashions illustrated in natural colors are especially valuable to the ladies.

The colored comic section is a genuine laugh-maker. The funny cartoons are by the best artists. The humorous stories are high class, by authors of national rep-

ular song, is furnished free every Sunday in the Republic. The price of the Sunday Re-
